A RARE opportunity offered by widow lady—A Two horses, one is the handsome, high bred, fast trotter and road horse, Chester Wilkes, got by George Wilkes, sire of Harry Wilkes, record 2:1414, dam Lizzie Bilinker, the dam of Luce Fleming, record of 2:2444. In fact I nave his pedigiree: Chester is a bay geiding, 154 hands high, weighing fully 1,000 pounds, 6 years old and has a long flowing mane and tail and free from spot or blemish of any kind. It is without exception the most perfect geneticms family and road horse to the city; he needs no boots or toe weights, has great carriage and endurance, does not shy or pull; perfectly safe for the most timid person to drive; there is as fine a strain of blood in his veins as can be traced to any trotter of the age. He has never trotted for any money, so has no public record: would make a valuable horse for road or track purposes; he showed two trials when my husband purchased nim a little over a year ago in 2:294 and 2:29, driven by John Hampton, at which time he coursed considerable, and he is as good now, if not better, and will warrant him to be in every way as represented, and to trot a full mile in 2:30, and the time shown purchaser; also the handsome and beautiful bay mare Minnie, 7 years old; can go out any day and trot in 2:35 or hetter; she was sired by Nutwood, record of 2:184; I also hold her full pedigree; they make an excellent pole team; would prefer to sell them to some person in the country that would give them a good home. Would allow a responsible party a trial of 30 days, to test their speed and driving qualities. I will warrant them in every particular as represented, or I will pay expenses both coming and going. The price of the two is \$750, or you can have your choice for \$40); that is not near as much as either one cost. For further information cell at my residence
